Dear Mrs Manley:

We found your letter rather reassuring and in a spirit of full co-operation.

We would rather not play you in Newark on May 28th as we are scheduled to play you on Sunday June 6th and would not like to have the edge taken off of it.

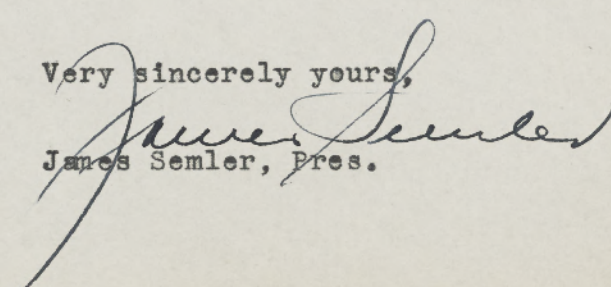

We are in full accord on the 25th of May in Trenton with you and would not mind repeating with you there on June 8th as you stated.

Now regarding the games at Dexter Park I would rather cancel all of them for the simple reason that under the financial set up for twilight games I think that it would be a losing proposition and would not draw very well.

We are also informing Messrs Pompey and Green of our action regarding the games at Dexter Park.

We, too, wish you a good season.

Very sincerely yours,

James Semler, Pres.
